

Dear supporters from the Netherlands and Wild-Live,

We would like to say a very special **thank you** for your great support during the event of the 30<sup>th</sup> of August in Bussum. It was amazing to see you all drawing to raise funds for Daktari. It really keeps us strong to know that even if you are far away you are all so involved and concerned about nature and conservation in South Africa. You people from the Netherlands are so special to us!!!

Your donation will not only help us to feed the children that we welcome at the bush school and wildlife orphanage, but will also help with the animal food.

Thank you for being a part of the people who make a difference, your support is highly appreciated!

Ian & Michele, the Staff, the Volunteers, the Children and the Animals.
